

Shop Smart Challenge

Description: The Shop Smart Challenge is designed as a fun, practical learning experience for 4-H members to demonstrate consumer skills in the area of clothing and textiles. Participants will select an outfit, model the outfit, and share decisions made in the selection of the outfit.

Participants will compare and consider three outfits and demonstrate decision making skills in selecting the most suitable of the three.

Entries: Individual only

State Awards: First place individual will receive the choice of \$50 towards future county/state event, or State 4-H Contests Jacket.

Main objectives of the contest are to:

- Build decision making skills through comparing three similar outfits for a specific occasion. This is done by putting together an outfit that enhances body type, expresses personality, and is appropriate for the activity.
- Demonstrate smart shopping by considering costs in the selection process and show that financial considerations were weighed in the selection of the final outfit chosen.
- Demonstrate skills in selection of outfit and accessories, knowledge of clothing maintenance and care, and knowledge of fabric type. This demonstration of skills may also include knowledge of any modifications made to the garment/outfit.
- Demonstrate skills in presentation of outfit (posture, grooming, ability to interact with judges).
- Demonstrate decision making skills in selection of appropriate outfits and accessories that reflect the participant's style, and ability to explain rationale for decisions made. (i.e. what are the accessories you've chosen and why? How do the accessories compliment the outfit?)

General Information:

- Open to all 4-H members. Participation in this contest does not prohibit a contestant from entering the Fashion Review construction contest.
- Clothing items may be purchased, altered, or part of an existing wardrobe. The purpose is to demonstrate knowledge of putting together a total outfit, including accessories. Items may be purchased anywhere; i.e., department store, thrift store, consignment store, discount or outlet store, catalog, internet, etc.
- Participants may enter no more than one outfit to be judged.
- Each entry will be accompanied by the Consumer Comparison Worksheet and Questions. (Please bring these with you to the contest - do not mail ahead of time.) Consumer comparison worksheet and questions should be legibly written in pen or typed with care taken in neatness and spelling. Pictures of participant wearing each outfit are suggested but not required.
- Participants will model/present their outfit and then be seated for a 5 minute interview by a set of judges.

Entries will be judged on the following components:

Completion of Consumer Comparison Worksheet
Interview with Judges
