

2018 4-H AGGIE ADVENTURES FOR KIDS

Date	CAMP DESCRIPTIONS <i>Please note most camps are four-day camps, except LEGO Mindstorms® EV3 which is five days.</i>	Grade (entering Fall '18)
June 4-7 Morning	CRIME & SPY SCIENCE: This camp involves discovering how detectives use science to uncover the mysteries of a crime. We'll solve the case of "The Murder of Professor Half-Track" using clues, and conduct our own biotechnology experiments to solve the murder mystery. We also put campers through our "Super Spy School" and teach the essentials of being a spy.	 4-6
June 11-15 Morning	 LEGO MINDSTORMS® EV3 ROBOTICS: Create a fun LEGO® adventure this summer. Campers will work in teams to construct and program a robot using LEGO Mindstorms® EV3, to compete in exciting challenges all week long.	4-6
June 11-14 Afternoon	LEGO® WEDO ROBOTICS: Design and build LEGO® WeDo robots and then animate your robot with basic programming. Let your imagination run wild as you bring your robot to life in an adventure you write, animate, and perform!	1-3
June 18-21 Morning	YOUNG SCIENTISTS: Get ready for some hands-on fun as we explore how much fun science can be! From the science of sweets to creating icky, gooey experiments there will be something every young scientist will be sure to love.	1-3
July 9-13 Morning	LEGO MINDSTORMS® EV3 ROBOTICS: Create a fun LEGO® adventure this summer. Campers will work in teams to construct and program a robot using LEGO Mindstorms® EV3, to compete in exciting challenges all week long.	4-6
July 9-12 Afternoon	LEGO® WEDO ROBOTICS: Design and build LEGO® WeDo robots and then animate your robot with basic programming. Let your Imagination run wild as you bring your robot to life in an adventure you write, animate, and perform!	 1-3
July 16-19 Morning	KINDER CHEF: Adventures in the kitchen await our wee chefs! You will mix, measure, create, and taste yummy foods!	1-3

To register for camps by phone with a credit card (we accept Visa, MasterCard, or Discover) call the Weber County 4-H Office at 801-399-8202, or to register and pay with cash or check visit the 4-H office located at 1181 N. Fairgrounds Drive, Ogden. **No mail-in registrations will be accepted.**

For questions, contact the 4-H office at 801-399-8202. If there are any special circumstances or medical needs regarding the child you are registering, please inform us at the time of registration.

Got Science?

Do you like to discover or create things? Do you like figuring out how things work? The Weber County 4-H Office will be offering Science, Technology, Engineering and Math related workshops (e.g. learning the science of sweets, basic photography, etc.) to youth in 3rd-12th grades (as of January 1, 2018). To find out more about these workshops, please call 801-399-8202 or visit our website:

<http://www.webercounty4-h.org/htm/stem>. (Workshop fees are \$20 or less.)
